

Project Navigator, Ltd.'s Information and Data Management System

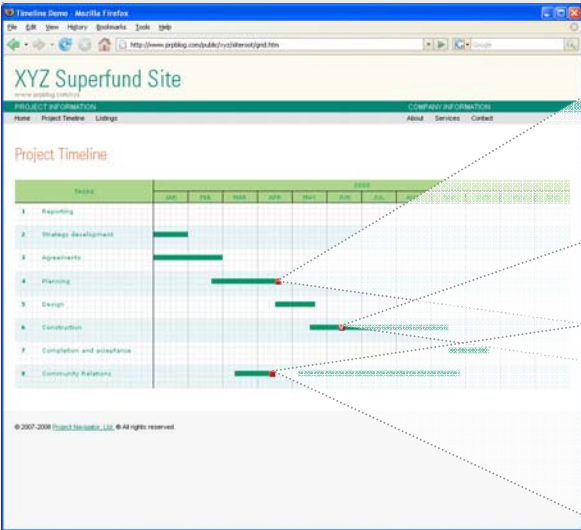

Project “Crystal Clear Understanding” Project Timeline Enabled with Information, Data and Visual Content

1 Entry Page on PRPblog.com

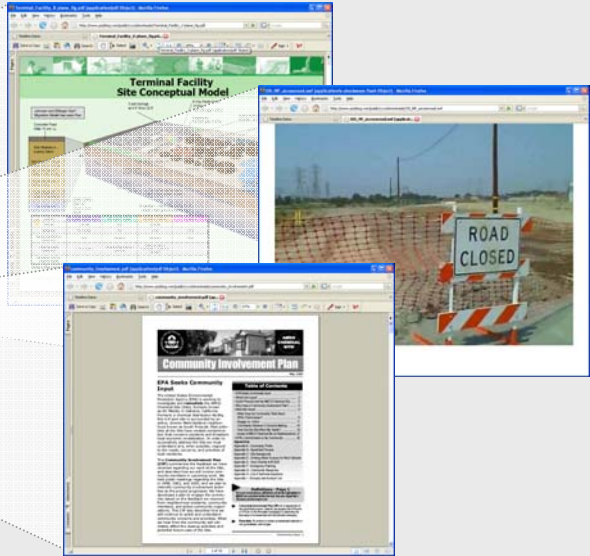

Enter project-specific page on PRPblog.com.

2 Project Timeline Grid

A timeline or Gantt chart can be accessed. The timeline's bars can be "loaded" with "project content".

3 Display Information
Data · Video · Photos · Plans · Designs

Any type of content can be loaded onto the timeline grid and clicked for viewing.
